Gartner Cool Vendors
External Use Guidance

Gartner Cool Vendors publishes on gartner.com
• ASAP submit all content to quote.requests@gartner.com.
• The Quote Requests team reviews materials for compliance with the Copyright and Quote Policy.

Note: Allow up to two business days for review. Gartner intellectual property (IP) may not be used to endorse or to criticize a vendor.

You may promote inclusion in Cool Vendors reports through a:
1. Press release
2. Blog post
3. Social media post
4. Webpage
5. Presentation
6. Conference/event signage (booths on tradeshow floors)

Using the Gartner Cool Vendor badge:
1. Include full attribution (name of the report, author name(s), and publication date).
2. Include the required disclaimer (see column on the right).
   • If there is a true character limitation (such as on Twitter) you may forgo the disclaimer, but you must link back to something larger (a press release, blog post, or landing page) that has it.
3. You may use the badge in perpetuity, with full attribution and the required legal and trademark disclaimers (see column on the right).
   If there is a true character limitation, follow the guidance in No. 2 above.
4. Don’t jumble the badge, or place it next to, your logo or other graphics. Your logo must be the primary image in positioning and at least 10% larger.

You may not:
1. Include the Gartner Cool Vendor badge in your press release, email signature stamp, “About Us” boilerplate, or securities-related filings.
2. Refer to the Gartner Cool Vendor badge or designation as an “award” or reference it on an “Awards” page on your website.

Required disclaimer for use of Gartner Cool Vendor badge:
The GARTNER COOL VENDOR badge is a trademark and service mark of Gartner, Inc., and/or its affiliates, and is used herein with permission. All rights reserved. Gartner does not endorse any vendor, product or service depicted in its research publications, and does not advise technology users to select only those vendors with the highest ratings or other designation. Gartner research publications consist of the opinions of Gartner’s Research & Advisory organization and should not be construed as statements of fact. Gartner disclaims all warranties, expressed or implied, with respect to this research, including any warranties of merchantability or fitness for a particular purpose.
