Gartner at a glance

About Gartner

• The world’s leading research and advisory company, founded in 1979
• Nearly 17,000 associates in 120+ offices around the world
• $4.2B revenue in 2019
• 40+ consecutive quarters of double-digit contract value growth
• Member of the S&P 500
• Deep global business and technology insight into every major function in the enterprise:

Clients we serve

• More than 15,000 client enterprises in more than 100 countries
• C-suite leaders and their teams across all enterprise functions in every industry around the world
• Enterprises large and small, in public and private sectors, including 77% of the Global 500

Trusted insights

• Developed through rigorous proprietary research methodologies to ensure our insights are independent and objective
• Created by a global team of 2,250+ research and advisory experts who understand your role, business and industry
• Complemented with peer perspectives and advice accessed through:
  – The Gartner Peer Connect client community of nearly 72,000 active participants from every enterprise function
  – Worldwide destination conferences plus virtual live and recorded events tailored for specific executives and their teams
  – The Gartner Peer Insights public community, where 150,000+ enterprise IT users have shared more than 330,000 online reviews covering more than 8,000 IT products and services
• Quoted by leading business publications worldwide an average of 70 times every week

Strategic advice

• Delivered in more than 400,000 client interactions each year
• Provided by experts, many of whom are former practitioners, to help challenge conventional thinking and accomplish critical activities
• Informed by an annual average of 300+ new, thoroughly vetted practitioner-sourced case studies
• Applied in 2,500+ technology-driven strategic consulting and contract optimization engagements annually with CIOs and other senior executives through our Consulting business

Practical tools

• Gartner Score maturity diagnostics that cover more than 45 functional areas across the enterprise and apply a consistent methodology that uniquely factors capability and organizational importance
• 130+ Gartner Magic Quadrants, a standard for objective market analysis covering more than 900 technology and technology service vendors
• 100+ new Gartner Ignition Guides produced in 2019 for accelerating team execution of initiatives in nearly every enterprise function
• Gartner TalentNeuron™ combines big data and statistical insights to provide global talent, location and competitive intelligence for making better short- and long-term talent decisions
• The Gartner Digital IQ index, including reports on the performance of 2,000+ brands benchmarked across thousands of data points covering four dimensions of digital performance: Social media, mobile, digital marketing, and site and e-commerce
